To find us from the M25 Motorway it is easiest to exit the motorway at junction 7 (M23). Follow the M23 in a southerly direction towards Gatwick Airport & Brighton. Continue along the M23 past the Gatwick Airport and Crawley exits. At Junction 11, the M23 becomes the A23, continue along the A23 to the next exit (after junction 11, Handcross) and turn off the A23 at this exit. Immediately after leaving the A23 you will come to a roundabout, at the roundabout go straight on heading south along the B2114 Brighton Road. After approximately a quarter of a mile, before reaching Handcross village, you will find Handcross Primary School on the right hand side of the road. There is a narrow turning immediately alongside the school (on the south side of the school). Turn right here and follow this lane past the row of houses on the right and over the single lane bridge crossing the A23. Once over the bridge FlyerTech's offices are ahead of you. Please Park to the front of our offices.

To find us from the A27, join the northbound A23 at Brighton. Leave the A23 at the Handcross exit (B2110). Turn right at the mini roundabout at the end of the exit road and drive over the bridge (crossing over the A23). Turn left at the T junction and drive north through the village of Handcross. Once through the village, turn left at the mini roundabout heading north along the B2110 Brighton Road. After approximately 150 yards turn left into the narrow turning immediately alongside Handcross Primary School. Follow this lane past the row of houses on the right and over the single lane bridge crossing the A23. Once over the bridge FlyerTech's offices are ahead of you. Please Park to the front of our offices.
